To Whom It May Concern,

My name is Kiersty Loughmiller. I graduated from BYU Law in 2008 and began working as a law clerk/bailiff for the 4th District Court in Provo in May of 2008. I remained a law clerk/bailiff until September 2010. I also worked as the juvenile court law clerk from October 2010-October 2011. While at the 4th District Court, one of my responsibilities was to respond to requests for audio recordings of hearings. I cannot even begin to count the number of requests I filled over the 28 months there. However, about once a month or every 6 weeks, one of the request would be "unfilled" as the audio was missing or the audio was incomplete because of some malfunction with the system. This was several years ago, but while there I did experience difficulties filling every request for audio.

Sincerely,

A handwritten signature in black ink, which appears to read "Kiersty Loughmiller". The signature is written in a cursive style and is positioned above the typed name.

Kiersty Loughmiller, Esq.
